VETERANS OUTREACH

MISSION STATEMENT

Veterans outreach is a spinoff of the American Legion Post #239 Lawrenceburg IN., Veterans outreach is a non-profit organization that is 100% run and managed by local Veterans. The goal for our 1st year is to be able to do 4 local trips around the Tri-State area. These trips or events will be free of charge to any South Eastern Indiana Veteran and their family. Veterans outreach is one of very few programs in the area that will provide: Day trips, transportation, team building, family friendly environment, and the opportunity to meet other Veterans.

Veterans Outreach goals:

- *Provide local, day trips to Veterans and their families*
- *Help Veterans become active in their communities*
- *Provide a comfortable environment for physically and mentally challenged Veterans (PTSD, war related illnesses, or injuries)*
- *Allow Veteran families with financial struggles to participate in events that otherwise wouldn't be possible*
- *Team building, boost morale, confidence and camaraderie*

To whom it may concern:

We write to ask for your support on a new program at The American Legion Post # 239. Veterans Outreach is committed to helping and providing Veterans and their families with opportunities to enjoy and participate in events they normally wouldn't be able to due to physical problems, mental issues, financial burdens or lack of transportation. Veterans Outreach along with your donations we will be able to help Veterans enjoy some of the things that many take for granted.

There is no other group or organization in South Eastern Indiana that provides this type of service to its Veterans. We are asking for your help in supporting us financially. Remember that your gift may be tax-deductible. With your permission, your donation will also be recognized at all of our events.

Thanks you in advance for your support.

Sincerely,

Marc Gosney
