Essay: As a young professional in Dearborn County, you've been tasked with improving the community through business initiatives and economic development as you see fit. Describe your plans in detail. Describe the pros and cons of your idea, how it will contribute to the benefit of the community, and why you believe your idea is necessary. Your idea may be to improve an existing business or create one of your own. You may include photos, videos, illustrations, website, or other media to support your essay.

Written essay should be at least 500 words. Videos should be no longer than five minutes.

Other attached documents: Please attach two letters of reference from professionals outside of your immediate family, and a copy of your transcripts or recent report card.
